SILOTITE 1800

Silotite1800 offers farmers and contractors several benefits including more bales per reel, time savings and enhanced silage quality. With its greater reel length, Silotite1800 means less reel changes, and more bales per reel. Silotite1800 also comes in unique sleeve packaging that saves space and can be recycled with bale wrap.

- Time savings > **more bales wrapped/hour**
- Sleeve packaging > **no bulky boxes**
- Fully recyclable > **recycle sleeve/film together**
- 20% less reels needed > **less transportation and storage**
